4th June 2022: Awareness Programme on Innovation and Ideas

An introduction cum awareness programme on innovation and ideas including robotics was conducted today for Christian Mission School, Itanagar by Arunachal Pradesh Science Centre.

The students were taught about artificial intelligence and how innovations around the globe are changing the shape of the world at a rapid pace. Such programme provides a comprehensive understanding of robotics at school level. Total participants: 14

5th June 2022: World Environment Day

Arunachal Pradesh Science Centre celebrated World Environment Day today and as a part of it, an interactive session on this year's theme - "Only One Earth" was conducted today where several students from Christian Mission School, Itanagar participated. The programme was meant to encourage sustainable consumption and draw attention to the negative effects of climate change. The day advocates for collective action for transformative environmental change. Total participants: 14

21st June 2022: Yoga Day

The programme was instructed by Yoga and Wellness Instructor Shri Avinash K Verma (The Art of Living).

International Yoga Day is celebrated on June 21 to spread awareness about the importance and health benefits of yoga. It is said that yoga helps balance the body and mind. The term "yoga" comes from two Sanskrit words - "Yuj," which means together and "Yujir", which means "to unite".

This year, the theme for International Day of Yoga is "Yoga for Humanity." The theme was decided considering the importance of yoga and how it benefited the masses in keeping safe and healthy during the outbreak of coronavirus.
