Subramanyam, IFoS (PCCF & HoFF), Shri Vivek Pandey, IAS (Commissioner, Agriculture Production, Urban Affairs & Transport), Ms. Sumedha, IAS (Secretary, Science & Technology), and Er. K.C. Dhimole, Technical Advisor to GoAP, visited the DBT-APSCS&T Centre of Excellence (CoE) for Bioresources and Sustainable Development, Kimin, on 7th June, 2025. Dr. Debajit Mahanta, Project Director, CoE, gave a detailed presentation covering the CoE's core research areas, outreach programmes, key achievements, and its role in promoting the use of local bioresources in Arunachal Pradesh.

The delegation visited the laboratories, R&D facilities and the orchidarium, where they interacted with scientists working on orchids, microbial resources, medicinal plants, biomaterials, millets, and value-added agri-waste. Special emphasis was laid on the initiative to develop Arunachal Pradesh as the "Orchid Capital of India," with discussions on expanding orchid-related research, commercialization, and eco-tourism. The team showed strong interest in establishing dedicated units for mass propagation, high-value floriculture and orchid-based tourism. The dignitaries appreciated the CoE's contributions in research and innovation and encouraged continued efforts to utilize local bioresources for improving livelihoods and ensuring sustainable development.

2. Er. C.D. Mungyak, Director-cum-Member Secretary, APSCS&T, and Dr. Debajit Mahanta, Project Director, DBT-APSCS&T Centre of Excellence (CoE) for Bioresources and Sustainable Development, Kimin, visited the ICAR-National Research Centre for Orchids (NRCO), Pakyong, Sikkim, on 21st and 22nd June, 2025. The visit focused mainly on collaboration in formulation, development of the "Orchid Mission, Vision Document" and exploring technical support, and expertise of NRCO towards achieving, fulfilment of the vision of GoAP in "Establishing Arunachal Pradesh as the Orchid Capital of the World."

The visit encompassed discussions with Director and scientists of NRCO on various aspects of orchid R&D, conservation, advanced propagation techniques, research exchange and the development of orchid-based livelihood and tourism opportunities in Arunachal Pradesh.

3. A delegation from the Department of Administrative Reforms, Government of Arunachal Pradesh, comprising Dr. Mari Angu, Joint Secretary; Shri Vince V. Thomas, Under Secretary and Shri Promod Gupta, Junior Analyst, visited the DBT-APSCS&T Centre of Excellence (CoE) for Bioresources and Sustainable Development, Kimin, on 27th June, 2025. The purpose of the visit was to conduct a work organization analysis, method study and work measurement study of the CoE.
4. Dr. Debajit Mahanta, Project Director of the CoE, delivered an in-depth presentation on the Centre's functional structure, scientific activities, progress and achievements made by the CoE in various research domains. The delegation also visited the CoE's laboratories, research facilities and the state-of-the-art orchidarium to understand its work and research activities. They interacted with Scientists, Technical personals, and Administrative

personals of the CoE to gain further insights into ongoing programmes and institutional practices.

5. Arunachal Pradesh Science Centre under the aegis of APSCS&T observed World Environment Day on 5th June 2025 with great enthusiasm and active participation of around 105 students across the capital region.
The program commenced with a welcome address and a brief introduction to the significance of World Environment Day by Dr. Vivek Kumar, Curator, Arunachal Pradesh Science Centre. He also highlighted this year's global theme, "Putting an end to Plastic pollution", emphasizing the role of youth in environmental restoration and sustainable living.
The senior students participated in science-based demonstrations including working of the vermicarium, underwater Telescope observation, Transpiration check and use of rainwater gauge and modules from the Eureka Eco Kit.
For junior group a fun filled DIY craft session was organized using recycled plastic bottles and paper, encouraging creativity and sustainable thinking.
This was followed by an engaging plantation drive and as green takeaway, all the students were gifted with plant saplings to encourage them in long term environmental care.
6. On June 14th 2025 Official from Arunachal Pradesh Science Centre, Innovation Hub under the aegis of APSCS&T conducted an outreach program at Highland Academy, Nirjuli, where total of 50 participant both parents and students were formally introduced to the Innovation Hub and its Facilities. The session aimed to promote awareness about innovation and encourage active participation through membership in the hub.
7. On 21st June 2025 officers and official from Arunachal Pradesh State Council for Science & Technology and Arunachal Pradesh Science Centre, Itanagar observed Yoga Day. The session highlighted the importance of yoga in maintaining a healthy body, mind and lifestyle especially in today's fast paced world. Guided by trained instruction Mrs. Tunu Dignium and Ms. Viswa Bage, participants performed a series of asana, breathing exercises (pranayama), and meditation technique, emphasizing the science behind each practice and its relevance in improving both physical and mental well-being.
8. An Industrial Internship Training Programme for Computer Science Engineering Students of Rajiv Gandhi Government Polytechnic College, Itanagar is underway at the innovation Hub, Arunachal Pradesh Science Centre under the aegis of APSCS&T which started at 12th June and will last till 11th July 2025.
The internship aims to bridge academic learning with industry-relevant skill through hands-on modules in EV3 robotics, computer hardware, system software, 3D printing, basic electronics and Arduino-based prototyping. A total of 13 students have enrolled for the month-long programme, which also promotes innovation and real-world application through guided mentorship and micro-projects.
